

## FACTORY INTRODUCTION

### Focused on sustainable small furniture production

Huizhou Oldtree Furniture Co., Ltd. is a subsidiary of Shenzhen Goodlife Houseware Co., Ltd., specializing in design, production, and export of multifunctional small furniture. Established in July 2016 in Huizhou City, Huizhou Dong County, Oldtree Furniture produces intelligent dressing tables, wall-mounted folding desks, multipurpose convertible tables, ironing board cabinets, smart side cabinets, and more. Each of these products represents a perfect fusion of minimalist style and modern practicality, offering original and high-quality creations.

Oldtree Furniture adheres to a core strategy centered around new production technologies and environmentally friendly materials. They are at the forefront of the industry by importing premium mahogany and large-leaf peach core wood from legally planted forests, and they use domestically sourced cedar root carvings. This ensures that the materials used by Oldtree Furniture are traceable, with a strong emphasis on environment protection and sustainable development.

Their innovative product designs align with modern lifestyles and feature unique aesthetics. These products are primarily designed for organizing personal items in the bedroom, storing shoes, and consolidating items at home. These products enable individuals to maintain an orderly living space within limited areas. Oldtree Furniture customizes small furniture products for their brand, creating a fresh and natural living environment.
